YACHT CLUB NEWS

This is my last article as commodore of the club. It has been an enjoyable year for me and I hope all our members have enjoyed the year of club activities as well.

In October, we held our Fall General Meeting. We elected our Bridge for 2012: **Gordon Thompson, Commodore; Chris Doutre, Rear Commodore; Marion Falk, Treasurer; Jenise Stone, Secretary**. We still need a Vice Commodore so if you are a member, please consider joining the Bridge. We need the positions filled to insure the future health of the club.

We held our Commodore's Ball on October 22nd. I hope everyone in attendance had a great time.

My best wishes for a successful 2012, *Don Hubert*

BBV Food Drive/Harvest Dinner: Great carved pumpkins, good food and a very successful Blaine Food Bank food drive. Five hundred and twenty-five, that's 525 pounds of food were delivered to the Blaine Food Bank. WOW!! Thank you BBV for your generous donations and for helping out in our community. Other area books are available upon request and vary in price. You may call Laurie (392-4771) or Sheryl (371-3505) to buy your books. And thank you for returning it in a sanitized condition.

Your generosity is appreciated throughout your community. And thanks again for the 525 pounds of food donated during the BBV food drive in October!

GOLF NEWS

2011 – Another good year! – From the season opening Duffers Scramble in May to the final rounds of golf played before the Golf Shop closed for the season, it was a very good year for golf at BBV. Play was up and so was green fee revenue. Many thanks go to our new Pro Shop Manager, **Joe Holdridge**, his son **Spencer Holdridge**, and partner **Al Koch** for helping to make this an outstanding year: the revitalized Junior Golf Program was a huge success, with 21 youth participating; a remodeled Golf Shop included big screen TVs, food and beverage; and Spencer cooked some mean BBQ hotdogs and burgers...perhaps too good from the change in some folks' waistlines since the grill was fired up!

The concreting of cart paths was completed this summer – a major achievement – and continued progress was made on improving the condition and the play of the entire golf course during the season. But, the golf course never sleeps...during the winter, golf course staff will work on several projects, including but not limited to: repairing and maintaining course equipment; further punching and sanding of greens and tee boxes; dressing up the edges of new and old cart paths; improving drainage and much more. Great things are being achieved by a staff with limited budget and resources. Please thank **Steve Brand** (Greenskeeper), **Kenny Schroeder** (Assistant Greenskeeper), **Maintenance staff**, and the many volunteers who help make the BBV golf course more enjoyable for everyone.

Another hole-in-one at BBV! – Congratulations to Gene Omev for his hole-in-one on October 6th during Men's Club play. It happened on Hole #5 and, making it even more special, it came on his very first swing of the day!

Team BBV-USA edges out Team BBV-Canada – On September 24th, 52 players launched the first-ever BBV Can-Am "Ryder Cup" match. Team USA eked out a narrow three point victory over Team Canada, 52.5 to 49.5. The outcome was in doubt throughout the match with neither team having a clue how they or the other team was doing. Only when all scores were turned in and the final tally was made did the Americans learn of their good fortune. Individual net "winners" were - USA: 1st place Men – Deon Wiechmann; 1st place Ladies: Ann Brown and Helen Hilton (tie); Canada: 1st place Men – Bill Quick and Jim Wood (tie); 1st place

GOLF NEWS CONT'D

Ladies: Anne Graydon. In response to the rousing chants of "USA, USA" the cry of "Rematch, rematch" was heard. But, over hotdogs, hamburgers, a beer or two and some good-natured ribbing, no one went away sad. Still...wait until next year! (see front page for pics)

2-Person best ball tournament results – Another "first-of-its kind at BBV" golf tournament took place on October 15th when 20 2-person teams took each other on in a best ball match. In the end, the team of **Ron Bogen and Jim Macmillan** (aka the "Champ/Chump" duo) emerged victors with a team low net score of 59. Low net individual winners were: Men – **Steve Brand** (55) and Ladies – **Joyce Lusty** (63)

Golf Committee officers and acknowledgments – The final 2011 meeting of the Golf Committee was held on October 20th. **Jim Macmillan** volunteered to serve as Interim Chair during the off-season until the Committee resumes meetings again in April. At that time, a permanent Chairperson will be selected along with other officers and coordinators. Until then, current officers and coordinators who remain on the Committee continue to serve in their present capacity until April/May 2012. Many thanks for the services rendered by members of the 2011 Golf Committee: **Bill Begue** (Events Coordinator), **Ron Bogen** (Vice-chair/Treasurer), **Al Hawks** (Publicity Coordinator), **Jim Macmillan** (Member), **Ueli Nussbaum** (Member), **Tom O’Gorman** (Member), **Bill Quick** (Course Coordinator), **Bob Simpson** (Chair), and **Jim Toomey** (Member). **Harry Shearer** was the Board Liaison to the Golf Committee. O’Gorman and Simpson have completed a maximum six years of consecutive service.

Golf Committee vacancies – 2012 Golf Committee positions are open for those interested in serving. Please submit a statement of interest to the BBV Office, Attn: Jim Macmillan, Interim-chair, Golf Committee. For more information, contact Jim Macmillan at 371-2933.

Special winter Golf Shop hours/events – The Golf Shop may open from time to time on weekends during the coming month or two, depending on good weather forecasts. In addition, watch for postings outside the Golf Shop of special winter tournaments. Contact Joe Holdridge at (360) 752-3337 to get your name on his email mailing list.

GOLF NEWS CON'T'D

Honor Box now in effect – When the Golf Shop is closed, the Honor Box is “open”. If the Golf Shop is closed, a \$10 day-fee must be paid by all players who are not card carrying 2011 Golf Club members. *“Honor Box” instructions are found outside the Golf Shop door. Persons found playing on the course without the appropriate “bag tag” are subject to fines and/or loss of BBV privileges. To not pay, just to save (steal?) \$10, is not worth the risk, so don’t take the chance!*

Winter play reminders – All golfers: Please respect the delicate condition of the BBV course at this time of the year. DO keep motorized golf carts on cart paths. Pull carts should be kept at least 10 feet off greens and tee boxes... farther if conditions are particularly soggy. And, if frost is present, DO NOT begin play until the frost is gone. And, remember to replace divots and repair ball marks. Stay dry, warm, and enjoy!

WINE CLUB

This all may sound familiar. We had planned on doing Napa Cabs in October but due to a lost shipment we made a last minute change and did Italian wines instead. That means that on November 18th we will be doing Napa Cabs. Around the world the King of red wines is Cabernet Sauvignon. Where should we look for great Cabs? Well where else but in Napa Valley California. There are so many it will be difficult to pick just 6 but we will find some good ones for this tasting.

As we often do in the fall we change the starting time for the tasting to be **7:00pm on Friday, November 18th** at the clubhouse. Please make your reservation by November 13th by calling Jim Macmillan at 371-2933 or by email at macmillan@uni.edu.

Our substitute wine for October was Italian; however, we threw in a ringer, one Napa Cab. It turned out to be a favorite of many people. The food for the evening was outstanding.

SECURITY COMMITTEE

The Security Committee met on October 19th, specifically to refine our recommendations to the board of directors for the purchase and installation of video surveillance cameras at the marina entrance. This is a key "choke point" for anyone coming or going from the marina, and the recent theft of an expensive runabout and motor, coupled with the past thefts of fuel from boats, emphasizes the need for such surveillance. What we are looking at are cameras that give us the ability to identify boats and, hopefully, people as well, and have infra-red capability for night surveillance. Our intent is to both create a strong deterrent and a video record of criminals who prey on our boats.

On another subject, and as mentioned last month, we have had several complaints of speeders on Salish Road. In order to determine what enforcement action is needed, the committee is performing speed surveys on that street at various times of the day. The results indicate that while most drivers are doing a pretty good job of controlling their speeds, there are a few that really should be ticketed. We are studying the results of the survey and will continue to check that street as well as others. Increased enforcement along Salish is indicated and will be forthcoming. We ask all of you to control your speeds and stay within our 20 MPH limit. This is particularly important as winter approaches and the mornings and late afternoons are much darker. A hearty thanks to all of you who are helping keep everyone on our streets safe.

The new Birch Bay Deputy, Zac Reimer, met with myself, Ken Hoffer, and Barb May recently to discuss keeping a line of communication open between him and BBV and seeking his ongoing participation and help in dealing with crime issues in the village. Deputy Reimer will be speaking briefly at our upcoming November 4th General Meeting. This will be a good time to meet and hear him.

The next scheduled Security Committee meeting is in December. See you there,

Wayne McFee, Security Committee Chair

The **Architectural Control Committee, Golf Committee, Lakes Committee, and Roads & Drainage Committee** are in need of volunteers to serve on their committees. Address a letter of interest to the committee of your choice. Office hours are Monday to Friday **8:00am to 4:30pm** and Saturday **9:00am to 2:00pm**.
