

BBVCC Lakes Committee meeting, Sept 3, 1014

Committee Members:

Ken Hecker, Gary Levy, Rick Whitaker, Larry Eide, Gene Carr, Harry Yasako

Present:

Ken Hecker, Gary Levy, Rick Whitaker, Larry Eide, Harry Yasako

Ken Hoffer, Terry Sullivan

Meeting Called to order: 7pm

Minutes from June 4th meeting were discussed and approved

Rick Whitaker proposed his Lakes Management Form as a tool to document and record Aquatechnix activities. The Committee resolved to try again next year to get Aquatechnix to comply with this.

Carp Update – Numerous fish sightings indicate the fish are doing well, and that the fish are apparently eating the algae. This observation is supported as algae is less than expected given the hot and clear weather. Kwann lake is reported to be cleaner than it has been for years.

Aerators – Weeds have been trimmed around all lakes/ponds compressor boxes. Ueli Nussbaum has ordered some compressor rebuild kits.

Other Business – There remains one vacancy on the Committee.

Confirmation next meeting: October 1st, 2014
