

Road & Drainage minutes --- August 13, 2015

Meeting started @ 10:03 am

Members present: Jerry Royal, Terry Sullivan, Jim Lockie, Ken Davidson, Jim Cooke

Staff Present: Steve Freitas, Ken Hoffer, Jeff Weaver, Bobby Hoffer.

The minutes from the July 2015 meeting were approved.

The ditch on Coquitlam is nearly done being filled in; it was discussed that the village should add approx. 7' of pipe at the end to couple to an existing pipe at the end of the ditch.

Sweetening of the roads is about ½ done – staff was asked to match existing gravel for the top layer of each resident.

Striping of the roads including the Visitor / Member markings and the road bumpers at the front gate once crack sealing is done.

Paving of the roads came out good including the patch on Chinook

Raising of the sewer lids was discussed, I&I will do the work there are 14 at this time.

The catch basin for the pro shop was discussed; Jim Lockie will check with golf to see if it will work with the new landscape plan. Work will most likely start when golf season slows down.

Also discussed replacing stop signs with yield signs except at the front gate intersection and placing at intersections where there are signs. (Kitamat/Kayak, Kayak/Quinault, Salish road)

Meeting adjourned at 10:55 am

Respectfully Submitted by

Steve Freitas
