

Road & Drainage meeting minutes April 14-2016

Present were: Jim Lockie, Ken Davidson, Terry Sullivan, Ken Hoffer, Jim Cook, Bill Forbes, and Steve Freitas.

Also present were: Gerhart Waechter (from Div. 5 lot 5) had concerns of drainage & flooding at his home and new member Rick Jones.

Minutes from the March meeting were approved and the current agenda was approved.

- 1 The small culvert replacements were discussed most will be all handwork Steve Freitas was asked to order culvert & connectors. Ken Davidson would check stock of Gravel
- 2 Nootka Loop and Kwann Lake swale during the last storms. The swale worked good to get rid of the surface water that was in the area. There were some issues with the drainage system on Nootka Loop the resident of Div. 5 lot 5. A video was shown & the Committee agreed to go visit the site after the meeting was over.
- 3 It was mentioned that Roads & drainage chairman normally signs off on any ACC projects that have drainage involved.
- 4 Ken Davidson will take over as the Chairman
- 5 Next meeting scheduled for May 12th 2016.
- 6 Meeting was adjourned at 10.40am
- 7 The committee went to Nootka Loop and assist the drainage issues, there was one catch basin that was full of debris, most was large & removed by hand, I & I was contacted by maintenance to take a look at a very long stretch of culvert that had no catch basins (over 200')
