Board & Committee Volunteer Commitment in 2023

Boards and its committees have performed volunteer services for the Village for many years. Most community associations rely on their volunteers to do some of the work it takes to maintain, manage and govern what amounts to a small town in Birch Bay Village's case. In 2023, the board and its committees provided over 5,000 hours of volunteer work. If these committed community members did not sign up for duty, the work would still need to be done, either by contractors or paid staff. Doing some very simple math, paying a conservative \$20/hr for the 5,000 hours of work amounts to \$100,000 less in dues than would otherwise need to be charged to members, saving each member about \$90/year.

But just because most of these committees have always been a service to the community does not guarantee their future. The Architectural Control, Building & Grounds, Safety & Security, Golf, Lakes & Drainage, Marina, Service & Social committees all could use volunteers to bolster their ranks. Please consider volunteering in the New Year for a committee that interests you. You will be helping your community and yourself as well. There are many studies that show positive health effects of volunteerism. Make signing up to join a BBVCC committee your first New Year's resolution.

It has been an amazing four months as General Manager here at Birch Bay Village. It started with a welcome from the members, unlike any other I had previously experienced. Welcome parties, free crab, people stopping in the office just to say, "hello and welcome". Since then, I have been impressed by the hard work and dedication of a caring staff and host of community-minded volunteers who have continually stepped up to help a new manager find his way. Considering all of this and what we were able to do in 2023, I am confident that 2024 is going to be a great year for the Birch Bay Village Community Club and I hope for all of you and those you hold dear as well.

Happy New Year

David Franklin, General Manager

SECURITY POLICY WORKGROUP UPDATE

As noted in the October Bulletin, the Birch Bay Village Board of Directors established a temporary working group to research and make recommendations for an integrated security policy.

The Security Policy Workgroup's primary goal is to seek efficient and cost-effective ways to enable Birch Bay Village owners and residents to continue experiencing the relatively safe residential & recreational environment the community has taken for granted over the years. The group is assisted in an advisory capacity by General Manager David Franklin and BBV's Public Safety Patrol and Compliance Coordinator, Lowell English. The group's liaison to the Board of Directors is Dave Owen, founder of ACT Safety Services LLC.

Included are representatives from the four Committees most directly concerned with security and safety issues related to BBV's common areas (our 13 miles of private roads, our parks and other recreational facilities, and our shared buildings). The participating representatives from the Building and Grounds Committee, Golf Committee, Marina Committee and Safety & Security Committee have been investigating four key areas that should be inter-linked to ensure a cohesive program. These four areas include Signage, Gates & Fences, Video Camera Systems, and Patrol/Entry Supervision Services). Outside industry experts are being consulted by the workgroup in each of these areas.

When assessed, planned and budgeted for as a coordinated effort in an integrated program, these previously-disparate security resource elements can be administered in a more efficient and cost-effective manner. As just one example, the Security Policy Workgroup has identified more than 16 different security cameras inside BBV, but they are linked to 5 different local systems. They were installed at different times for varying purposes, with little inter-connection and no single, common access point for recording and monitoring. Nearly half are currently inoperative. This is one obvious area for improvement, as ways are sought to rebuild and improve BBV security assets.

At present we are still blessed with relative safety from property theft. A property owner is 14 times more likely to experience property crime (burglary or theft) in the nearby region outside Birch Bay Village, than inside our gates. However the Whatcom County Sheriff's Office Crime Statistics Dashboard shows that in the larger unincorporated Birch Bay Census Area (about 10,620 residents), property crimes are a growing issue of concern. In a recent 30-day reporting period (October 30-November 29, 2023), burglaries were up 75% and thefts were up 50% year-on-year compared to the same period in 2022. Fortunately this disturbing trend has not yet made significant inroads past the BBV community boundaries. Now is an appropriate time for all to consider ways to help keep it that way.

Do you believe that around-the-clock security patrols, while quite costly, are still worthwhile? Or do you feel your HOA dues are better spent in other areas? Do you feel that traffic-rule violations should be ignored, or do you wish they were more directly enforced as they were in the recent past? Are you interested in and willing to help re-establish BBV's Neighborhood Blockwatch Program, which has not been active for several years now?

Any HOA member who would like to submit constructive comments or express opinions on these and related topics is invited to reach the Security Policy Workgroup directly via email by addressing: secpol@bbvcc.com

All input received will be considered as part of this team-based effort as it works to conclusion. Additionally, the Security Policy Workgroup is coordinating with the Board of Directors for an upcoming Town Hall meeting. The purpose of this event will be to gather additional input and comments from BBV property owners. It's planned to soon announce a date for this hybrid live/online meeting at the Clubhouse in February.

Golf Club Leagues

Meet other Village golfers, new and experienced, and enjoy our beautiful golf course. Leagues include the Women's League (18-hole or 9-hole groups), Men's League (18-hole or 9-hole groups), Tuesday Money League, Friday Night Fun League, and Scramble League.

The Leagues are just winding down another great season of golf this year. Information for each League is below and on our website (<https://bbvgolfclub.com/>). If you would like to join any of them, just show up at the Rec Center about half an hour prior to their start time and they'll get you joined up with others to play.

The **Tuesday Money League** and the **Men's League** have "officially" concluded their 2023 seasons. However, both Leagues will continue to play (weather permitting) at 10:00 AM on Tuesday and Thursdays, respectively. **No "invites" to play will be sent through Golf Genius. To play on Tuesday or Thursday with these Leagues, use Chronogolf to sign up for a 10:00 AM (or adjacent tee time, as available).** Then show up not later than 9:45 AM to join (or not) the prize pools of the day. Teams will be randomly formed among those who show up. The game goes on!!!

Friday Night Fun: Friday, 3:00pm (October 2023 – April 2024)
Friday Night Fun is currently in their Fall/Winter season.

We tee off at 3:00 pm, so check in at the Rec Center no later than 2:45 pm.

We will continue to play Friday Night Fun as long as golfers want to play. If the weather doesn't look promising for a fun game of golf, come on down to the rec center to socialize under the gazebos. We have lights and heaters under the gazebos and always have fun!

Every Friday we play a team Scramble with a special "Twist". The twist changes each week and can include almost anything such as "a free throw", "a free kick", "crazy putters", and much, much more. It's all just fun, fun, fun.

The main season of Friday Night Fun will return at the beginning of May and run until the end of September.

Bring your music, your friends and your family and come and join us for Friday Night Fun!

To learn more about the Golf Club and Leagues go to: www.bbvgolfclub.com. If you have any questions about the club, please send email to info@bbvgolfclub.com and someone will get back to you.

Remember: Out of bounds on the golf course is private property!
