Agenda Additions

Approve Agenda

## Committee of the Whole

**A. Review Status of Committee Members/Officers:** Confirm makeup of Committee following status changes (e.g., New Member status (Eddie Wood; Board unanimously approved his committee membership).

## Subcommittee Reports

### Biological Management Subcommittee.

Test for phosphorous and oxygen levels, measure temperatures, monitor fish populations. Monitor for algae. Monitor chemical applications to control phosphorus and plant growth. Monitor aeration bubblers for proper functioning. Explore ways to decrease phosphorus introduction into lakes and ponds.

David S, David C, Jon, Bobby, Jack

- A. Testing results from 3-13-26 (Dave C. and Jack)**
- B. Status of duckweed treatment that was scheduled for mid-March; and EutroSORB application status.**
- C. Status of DO meter (repair or purchase options being evaluated).**

Hydrologic Control Subcommittee. Monitor and manage inflow and outflow of lakes and ponds to improve circulation and maintain optimal water levels. Conduct BBV drainage system mapping, maintenance, and repair.

Bill, Jack, David Scheirman, Dave Carpenter

- A. Cascade Engineering Service/ Pipe Replacement Program, WDFW -Dave, Bill:**  
Provide update if applicable.
- B. Progress in updating PowerPoint presentation covering BBV Stormwater Management Issues; and an update on scheduling a community meeting -Bill R., David S.**

Flood Monitoring, Preparation, and Response Subcommittee. Inform BBV residents of potential flooding and educate residents on preparation and response. Coordinate operation of mobile pump and train volunteers on pump operation.

Karen, Betsy, Jack

**A. Status of pump operation:** Report on any events that triggered a response or extra-close monitoring of conditions (e.g., “atmospheric river” the week of 3/16 – 3/20)

**Education Subcommittee.** Educate BBV residents and staff on lakes, ponds, and stormwater issues. Monitor weeds in lakes and ponds and educate lakeside residents on proper procedures for waterside yard maintenance. Coordinate development of the program to allow fishing in Kwann Lake and Thunderbird Lake.

Betsy, Gwynne, David S. , Jon

**A. Update on program to open lakes for fishing, including status of plan to submit proposed rules by April 1<sup>st</sup> for inclusion in the April Bulletin.**

**B. BBV Bulletin communications.**

**Development Oversight Subcommittee.** Coordinate with outside entities to insure BBV interests are represented in development projects that drain into BBV.

Bill, David S., Dave C.

(This subcommittee will also have two BBV BOD members on it)

**A. Update if new information about development projects was obtained. David S. will briefly report on Dept. of Ecology meeting with the “Water Planning Matters” group.**

VI. **County/Lakes Subcommittee.** Maintain contact with Whatcom County Stormwater Staff/BBWARM for promotion of joint capital projects as per the BBV/Whatcom County MOU for cost sharing.

Bill, Karen, David S.

**A. Update**

### **New Business**

General Discussion on topics of interest.
